Description

As a shareholder, director or partner, you are used to making daily decisions to protect the future of your business: from employing the right staff to insuring assets against damage. But have you considered the most crucial type of protection – insurance against the death or critical illness of the company's key people? At Edgewater Associates, we provide effective financial planning advice to meet your family's dreams and aspirations. We offer tailor made solutions to meet your investment objectives that will match your attitude to risk. Our service doesn't end there. We provide regular financial reviews to ensure our advice is always relevant and appropriate. You can relax, safe in the knowledge that your finances are being effectively managed.
