The Great Cornwall Directory is the easy way to discover everything great about Cornwall. From places to stay and eat to pubs, activities and trusted local services, we're a curated, one-stop shop built to help visitors and locals find the best of the Duchy—all in one place. We're part of the Cornish Secrets family (est. 2012) alongside The Great Cornwall Guide. Our mission is simple: celebrate Cornwall and give brilliant local businesses a bigger stage. Over the past decade we've grown rapidly and, in 2025, launched The Great Cornwall Directory to bring our ecosystem together.
